Sub.: Intimation of temporary suspension of operations of the Company as per the directions issued by government / regulatory authorities due to pandemic outbreak of COVID-19

Ref.: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Based on the government directives, all plant operations in India (including States of Gujarat and Madhya Pradesh) have been temporarily suspended until 21 days from the announcement or such other period as may be notified by the Central / State government(s) where the Company's plants are located.

We believe that it is too early to envisage the financial impact of this temporary disruption in the operations. Its impact will be ascertained in due course based on the culmination of this pandemic outbreak of COVID-19.

This is for information and update.

Thanking you.

Yours Truly
For Panasonic Energy India Co. Ltd.,
