Subject: Subsequent Disclosure regarding Fire Incident at Manufacturing Facility, Pithampur (Madhya Pradesh) pursuant to Regulation 30 of SEBI (LODR) Regulations, 2015

Dear Sir/Madam,

Further to our disclosure dated July 06, 2026 regarding the fire incident that occurred at the Company's manufacturing facility located at Pithampur, Madhya Pradesh, we hereby provide an update on the matter pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has completed a preliminary assessment of the incident and wishes to inform the stakeholders of the following:

S. No.	Details of Regularly, till complete normalcy is restored	Management Response
1.	Insurance amount claimed and realized by the listed entity for the loss/damage	At this stage, the assessment of the loss and investigation remain in progress. The survey is being conducted by the Insurance Surveyor in coordination with the insurance company. Accordingly, the quantum of loss has not yet been finalized. The Company will update the Stock Exchange upon completion of the assessment and finalization of the loss estimate.
2.	The actual amount of damage caused due to the natural calamity or other force majeure events	The amount of loss has not yet been ascertained and is currently being evaluated in consultation with the Insurance Surveyor.
3.	Details of steps taken to restore normalcy and the impact of the natural calamity/other force majeure events on production or service, financials of the entity	The Company currently maintains adequate inventory levels at its warehouse and with channel partners. Accordingly, no immediate disruption to the supply chain is expected. The Company is working closely with its foreign collaborator to restore normal operations at the earliest and is also evaluating outsourcing options for semi-finished and finished goods to ensure continuity of supply. The damage is limited to the affected section of the facility. Restoration activities have commenced and are progressing as planned, with necessary measures being taken to minimize operational disruption. The financial impact is under assessment. The affected assets are covered under the Company's insurance policies. Operations in all other areas of the plant continue normally. Following completion of the required quality

		and safety verifications, dispatches of unaffected finished goods inventory have resumed.

At present, the Company does not expect any material adverse impact on its long-term business prospects. The Company will continue to keep the Stock Exchange informed of any further material developments in this regard.

You are requested to take the above information on record.

Thanking You,
For Panasonic Energy India Co. Ltd.
